

2020 Corolla

Sample for Toyota

Greater. Than. Ever..

The greater than ever Corolla and first-ever Corolla Hybrid are a sharp turn toward the future.

With an all-new sleek design, the latest tech and standard Toyota Safety Sense™ 2.0 (TSS 2.0), the all-new 2020 Toyota Corolla is ready to create something unforgettable.

See numbered footnotes in Disclosures section.

SE NIGHTSHADE EDITION

Your look. Your attitude

Blacked-out wheels, badging, grille and other black accents work together to give the available Corolla SE Nightshade Edition a look to match your sense of style. Sleek, sharp and aggressive, its unapologetic stance stands out for all the right reasons.

SE Nightshade Edition shown in Black Sand Pearl.

PREMIUM INTERIOR

XSE shown in Blue/Black SofTex®5 trim with available Connectivity Package.
See numbered footnotes in Disclosures section.

TECHNOLOGY

XSE shown in Blue/Black SofTex®5 trim with standard Apple CarPlay®14 compatibility and available Connectivity Package. Screen depiction accurate as of summer 2019. See numbered footnotes in Disclosures section.

HYBRID

The first-ever Corolla Hybrid

The first-ever Corolla Hybrid has all the efficiencies of a hybrid with the same good looks as the all-new Corolla. But it's more than just an attractive, efficient sedan. Corolla Hybrid was built on the same athletic platform as its gas sibling. And you can enable Hybrid Power Mode to increase its throttle response for a more energetic feel by pressing down on the Drive Mode button. It's the ultimate combination of Corolla's modern attitude with Toyota's proven hybrid efficiency.

Hybrid LE shown in Blizzard Pearl.⁴⁹
